

Subject: Action Request | BioPharma Conference Attendee Conference App Profile Set-up

Hello!

A very important part of our conference this year is having the opportunity to engage with others virtually. I am emailing you because it looks like you have logged into Attendify but have not yet had a chance to fully complete your profile for the ASAP BioPharma Conference mobile app in Attendify.

Can you please add an organization name and your professional title.

The BioPharma Conference mobile app is where you will:

- **Be able to network and direct message other attendees**
- Ask speakers questions during the livestream program
- Participate in polls during the livestream sessions
- Chat with other attendees in the Activity Stream
- Engage in discussions related to each on-demand session
- Receive live updates and notifications from ASAP
- Access the full event agenda and session information
- Plus, more...

We don't want you to miss out on the full conference experience. **Please download the app TODAY and complete your profile.**

- **If you already have the Attendify app on your phone from a previous ASAP conferences; [click here](#)**
- **Download the Attendify app for the first time? [Click here](#)**

We have also recorded a quick "How to Set-up your Profile" video [Click here to view it](#)

Thank you for registering and we look forward to your active participation in the conference Sept 14 – 16th.
