

# Virtually Engage Through the Conference App

## Mobile Conference App Access Instructions

ASAP has a number of tools that will help enhance your virtual conference experience including a conference mobile app through Attendify.

### Some of the features of the app include:

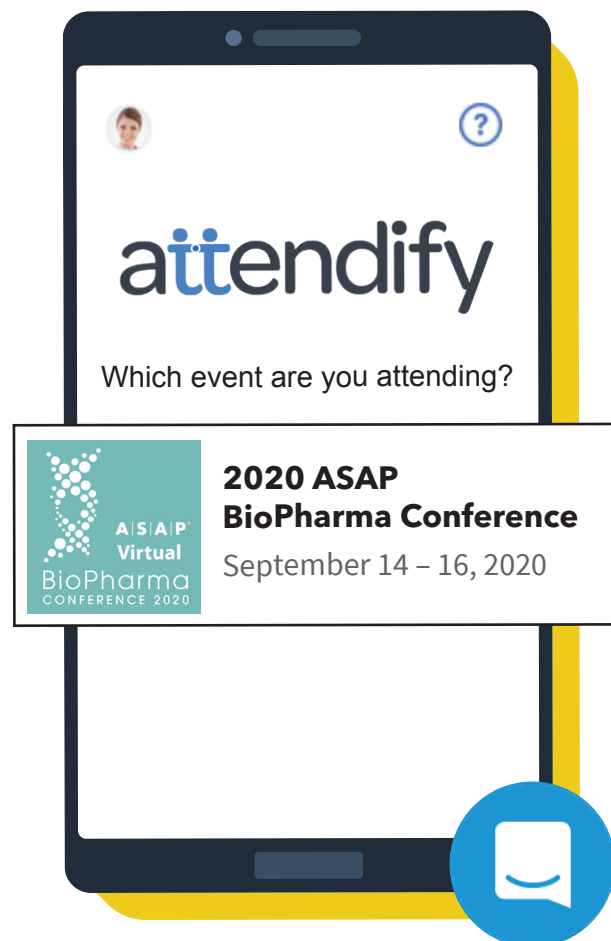

- Network with other attendees 1:1 through private messaging
- Ask speakers questions during the livestream program on the Q&A channels
- Participate in polls during the livestream sessions
- Be a part of the “BioPharma Chat” leading up to and throughout the conference
- Participate in discussion channels for the on-demand sessions
- Access the full event agenda and session information; including speaker bios
- Access to all recorded sessions
- Receive live updates and notifications from ASAP
- Rate speakers or sessions: Take notes and bookmark sessions

### If you already have the Attendify app on your phone from a previous event:

1. Open the app on your phone
